Accessing CSA Codes from the NAIT Library

**Note:** The first time you use CSA you’ll need to install an Adobe plugin called ‘FileOpen’.

1) Once inside the CSA database, click ‘Start’:

![Start button](image1)

2) Click on **My Subscription**, choose the ‘Search My Subscription’ tab and enter the name of the standard:

![Search My Subscription](image2)

3) A list of available PDFs will pop up. Click ‘View’ to open the standard:
